Belgian Tapestry: Best Ornament for Home Interior

Woven by hand on age old looms, tapestries usually depict hunting scenes or well-known historical figures in freeze-frame motion. It is an aesthete's delight. Woven with obvious artistic talent, these art forms preserve and showcase the exceptional talent of those who produce them. Belgian Tapestries originally were shaped like large area carpets that might be laid on a stone floor to keep it clean and dry. A typical tapestry is heavy yarn spun from animal wool that has been dyed with numerous different shades. These beautifully crafted designs capture the age-old adventure of battle scenes, treaties, and other monumental events that shaped the course of history.

For centuries people have used tapestries to do up their homes and the trend continues to this day. The **Belgian Tapestry** is one of the most accomplished textile-based art forms, and come from a wide variety of cultural backgrounds, lending them a distinct diversity. In recent years, Belgian tapestries have become a much talked about element of home décor and are being used in a variety of interesting and unique ways. Many well-known artists are licensing their artwork to be made into **tapestries**. Any subject matter from nature and landscapes to fantasy, impressionist and modern art can be used to create a tapestry, providing the weaver is skilled enough to carry out the task. These add an entirely unique dimension to this traditional art form, and modern day art lovers enjoy the blend of traditional and modern art found in tapestries.

For home decoration, you can access well-stocked specialty shops like www.tapestries-tapestry.com for the best in tapestries. Compare prices and quality before making your selection. Either way, your guests and loved ones will appreciate the unique look of a **tapestry** adorning your beautiful home. The Belgian Tapestry wall hangings make great gifts for any occasion. They are gifts that will be long cherished by one and all.

Needless to say, the Belgian Tapestry is indeed one of the finest examples of fine creative art, with a great command of pictorial verisimilitude and symbolic intention. The tapestry border from European weavers is simply matchless. Traditional tapestries are available in the tapestry collection on the site Tapestries-tapestry.com. Tapestries are one of traditional crafts that have survived the vagaries of time and are still admired for its uniqueness. Bayeux Tapestry

Tapestries are used to give an elegant look to the decor of the home. Among the different tapestries, the Bayeux tapestry is the most famous. This tapestry records the events that led to the invasion of England in 1066 by Duke William of Normandy. The Bayeux tapestry is 230 feet long. It is a precious piece of work. The Bayeux tapestries are characterised by the art work that is embroidered on linen with the help of wool by a group of needle workers. This tapestry usually has its embroidery done in 8 colours.

The **Bayeux tapestry** is always in great demand. These beautiful tapestries give an exquisite look to the place they adorn and hence are used for decorating the homes and offices. A significant feature of this tapestry is that it depicts all the events that led to the battle of Hastings in 1066 and also the result of the invasion. These tapestries are helpful to those who are keen to know about the events that happened during that period.

Tapestries form a part of every home today. It has become a common trend for people to use this ancient artistic craft to improve the decor of their homes. Tapestries show astounding craftsmanship and are very beautiful. They come in different colours, designs and sizes. The designs of the tapestries range from the ancient to the modern era. They depict stories of the medieval and renaissance period. These beautiful tapestries when used in the home are sure to add sparkle to your **home decor**. The Bayeux tapestry is renowned for its depiction of the famous Battle of Hastings. This historical event in the form of embroidery glorifies the period and enhances the look of the room it adorns. The use of this tapestry gives an elegant look to the walls of one's home.

Tapestries that are used to improve the decor of one's house are of different types. They may be the Bayeux tapestry, unicorn tapestry, Flanders tapestry, landscape tapestry, oriental tapestry and many other types. Tapestries are used to improve the interior of the house irrespective of its type. However, all the different forms of tapestry are well known for their unique features.

The length of the Bayeux tapestry is 50 cm x 70 cm and depicts the Norman invasion of England in 1066 by Duke William. It is made up of 8 linen pieces, which are joined together. This **tapestry** is different from other types of tapestries since the embroidery is done with wool on a piece of linen. One can visit www.tapestries-tapestry.com to know more about this type of tapestry.

Tapestry Pillows

Tapestry art has been popular since ages and is used by many people for decorating their homes. These are one of the oldest art form and are considered as antique. Investing in different tapestry products can therefore prove to be quite useful as you can pass them on as family heirloom. For your home decorating art you can buy attractive and beautiful tapestry cushions, tapestry wall hangings or buy tapestry pillows that can add to the beauty of your home décor.

The tapestry pillows can be used in the master bedroom or in the other rooms of your home. These would add a royal touch to the interior design and would help in adding more life to the room. Similarly you can also use tapestry cushions that can be used in the living room and would be easily noticed by your guests. This would allow them to know about your rich taste and also help define your class, preference and lifestyle.

Colorful threads are woven into thick rich fabric for weaving the different tapestries which is then used for making tapestry pillows, tapestry cushions and other products that can be used for your home décor. Apart from the tapestry pillows, the home decorating art is popularly used in the form of **wall hanging** that can add beauty to walls of your home or office.

Initially, in the medieval era, the tapestry were hand woven by the European craftsmen but now a jacquard loom or a vertical loom is used for weaving the beautiful tapestries. The designs that are woven into the tapestries may be based on different themes or events. For instance you have a collection of tapestry pillows with romantic themes, nautical themes, wildlife, floral theme, royal tapestries, oriental tapestries, **medieval tapestries** and other categories. You can choose any of them as per your preference or according to the theme of your interior design.

All these designs are available in the **tapestry pillows** also. If you wish to make these pillows look more attractive then you can also add tassels to it. Similarly, the wall hangings can also be presented on a tapestry rod instead of being framed and would add a different look to your interior design. The website features a collection of tapestries that can be a part of your home decorating art and can be used for gifting purpose as well. It is known to provide with the most exotic collection of tapestry items at reasonable price.

The unique thing about the varied **European tapestries** is its ability to offer them at very affordable price range. The tapestries are offered at prices that covers their production rate but never are they offered in poor quality range. Therefore the wall hangings are universally accepted and welcomed warmly all over Europe.

The beautiful designs of **wall hangings tapestries** gives your deserted room an instant renovated appearance. If you are keen on finding out more then do log on to our website www.tapestries-tapestry.com.

Art Tapestries For Art Lovers

Are you interested in art? Have you always dreamed of bringing home the work done by popular artists? Does the high cost of the art painting stops you from fulfilling your dream?
