An Article On Famous Tapestries

Woven by hand on a vertical loom, tapestries usually depict hunting scenes or well-known figures in freeze-frame motion. It is an aesthete's delight. Hand-woven with obvious artistic talent, these art forms preserve and showcase the exceptional talent of those who produce them. Tapestries originally were shaped like large area carpets that might be laid on a stone floor to keep it clean and dry. A typical tapestry is heavy yarn spun from animal wool that had been dyed a numerous different shades; these beautifully crafted designs capture the long-ago adventure of battle scenes, treaties, and other monumental events that shaped the course of history.

Unicorn tapestries, like the unicorn itself, are one of the marvels of the world, for in no other work of art anywhere is the pursuit and capture of this magical creature presented in such astonishing detail, with such command of pictorial verisimilitude and symbolic intention. In a duality not rare in the late middle ages, the imagery is secular and religious. The references to love, matrimonial fidelity and desire for progeny are understandable in an ensemble that may have celebrated a marriage.

For centuries people have used tapestries to do up their homes and trend continues to this day. **Tapestry wall hangings** are one of the most accomplished textile-based art forms and come from a wide variety of cultural backgrounds lending them a distinct diversity. In recent years tapestries have become a much talked about element of home décor and they are being used in a variety of interesting and unique ways and many well-known artists are licensing their artwork to be made into tapestries. Any subject matter from nature and landscapes to fantasy, impressionist and modern art can be used to create a tapestry providing the weaver has the right kind of skill to do so. These add an entirely unique dimension to this traditional form of art and modern day art lovers enjoy the blend of traditional and modern found in tapestry art.

You can access well-stocked specialty shops like www.tapestries-tapestry.com that offer best of **wall tapestries** for home decoration. Compare prices and quality before making your selection for any tapestry like Chenille tapestries, **Belgian tapestries** or anyone. Either way, your guests and loved ones will appreciate the unique look of a tapestry adorning your personal abode. The unicorn tapestry wall hangings make great gifts for any occasion. They are gifts that will be long remembered by one and all.

Interior Decoration With Most Beautiful Tapestries

The use of tapestry for narrating the stories of Odysseys and Helen in the early Grecian era made the art form very rich. It was greatly admired by the people of renaissance era as they were highly influenced by the Greek art and culture and was looking upon a revival of the great Grecian art. It was used by Italian, French and English as well in the medieval period, though the tapestry art underwent few alterations which were basically in the genre and the kind of designs that were put to use. Though tapestry had its use everywhere, it was greatly used for wall hangings as well in the form of wall tapestry.

We at www.tapestries-tapestry.com have envisaged a goal of providing our customers with best quality tapestries for their decorating their home décor. We are well aware of the rich history and art of the tapestries which often makes them unreachable for few customers; we have established our tapestry showroom for you choose to get the best kinds of **landscape tapestry**, wall tapestry hangings and many other kinds of tapestry at the modest prices. You can either choose chenille tapestry or the **European tapestry** that was simply loved in the early era for its refinery. Chenille tapestry is not a genre, it is kind of tapestry that has name from the use of chenille barks that are used for weaving such tapestry. Chenille is a soft bark which is durable as well.

When it comes to landscape tapestry one need not easily guess what kind of vibrance they can add to the ambiance of the house. Landscape tapestry basically concentrates on the projecting beautiful landscapes, flora and fauna sceneries.

Tapestry can be used anywhere, whether it is cushions, pillows, curtains or you can even see carpet tapestries as well. These days' **wall tapestries** are very much in vogue. Earlier people loved to decorate walls with paintings but now they have some additional source as well to decorate the barren corners of their wall with the emergence of wall tapestry.

Wall tapestries are made with minute detailing and great effort to project the scenery efficiently. Their beauty and grace speaks for the great craftsmanship of the artists.

It is always easy to place paintings on the wall but with **wall tapestries** you need to have additional rods and supporting frames. We at www.tapestries-tapestry.com are there to provide you with refined wall tapestry wholesale to decorate your home.

Wall Hangings Tapestries - Beautiful And Useful

Those who are born with the skills of creating beautiful tapestry wall hangings are blessed, for they have touched the soul of creativity. The intricate designs and the unique textures are the attractions of the wall hanging tapestries. With tapestry wall hangings, you can immortalize various themes on your wall- the portrait of a beautiful lady, the famous painting of an artist, a map of your country, etc. There is no limit for the themes to decorate the walls of your home.

It is believed that the **tapestries** originated in Peru between AD 1 and A.D 600. The native population of Peru was experts in fabrics art, and they had created a variety of curious items that resembled the present-day tapestries or the **wall hangings**. However, there is an argument that the tapestries were the creation of ancient Egyptians. Even though the exact data are not available about the birth of this creative art form, tapestries had been found popular during the medieval period. If the tapestry artist in you is aroused with curiosity, come and select a handful of tapestries from our online collection at www.tapestries-tapestry.com and appreciate the artistic talents of hundreds of tapestry designers across the world. We are one of the leading stores that host a unique collection of tapestries in the world.

Over the period, there happened significant changes in the pattern and the design of tapestries. They are considered as the best decorations for the walls. When the modern artists embossed their themes on the wall in the form of tapestries, most of the art lovers found them a better choice than the paintings that adorned that space once. Paintings are often a costlier affair for many, whereas tapestries are not. Tapestries are woven with wool, silk, cotton, etc., and they retain their elegance for a long time. Tapestries made of good quality fabrics are washable too.

The themes created in tapestries are countless. The contemporary themes of tapestries include animals, landscapes, maps, religious themes, native art, floral, etc. The tapestries offer a flexible medium of creativity. They also offer various textures in one canvas and thus create unique designs in each creation.

At www.tapestries-tapestry.com, the tapestries are categorized under various themes such as Floral tapestries, **landscape tapestries**, Bayeux tapestries, castles and monuments, religious tapestries, city and country scenes, hunting scenes, **medieval tapestries**, etc. By offering unique designs under various themes, we reach to a wide range of customers and ensure a satisfactory tapestry shopping experience to them.

An Article On Wall Hanging Art

Among wall hanging art, tapestries figure as one of the most important elaborate decorations which enable you to design your house adequately. Tapestry date back to Greek civilizations where they were made with specific designs depicting religious scenes. Since then tapestries have proven an effective part of wall hanging art, through which households can decorate their interiors effectively.

History

Tapestries are wall hanging art which are woven into a vertical loom thus enabling the depiction of pictorial representations. Tapestries date back to the Hellenic era. The technology for hand crafting these tapestries was very primitive. Due to a lack of machinery these tapestries were hand crafted. Unlike wall paintings that also represent a pictorial representation, tapestries are mostly used to depict a historical or religious significance. In the 14 and 15th century, tapestries were used to depict various war scenes. Since then William Morris has played an important role resurrecting the art.

Types Of Tapestries

There are different types of tapestries provided. Some of these include the following-

- **Castles & Monuments Tapestries**

These tapestries are further divided into 18th, 19th, Medieval and Verdure period of history. By featuring various monuments and castles located across time individuals can choose from a range. These tapestries are important characteristics of

European tapestries

- **Floral and still life**

These tapestries are adequate for the bedroom and drawing room scene. They enable individuals to choose from a variety of beauty which is represented through natural scenes. **Landscape tapestries** feature as one of the important aspects of these tapestries.

- **Art tapestries**

These tapestries reflected abstract art which is represented in terms of houses, gardens and other entities which enable a colourful setting. **Chenille tapestries** feature as the important tapestries in these category.

These are just some of the tapestries offered at www.tapestries-tapestry.com which are an important aspect of **wall hanging art**. With a variety of choice you can set up the tapestry in your drawing room, bedroom and other room settings which will enable you to set up the interior of your house in an elaborate design setting.

Design Interior With Wall Tapestries

Tapestry is one those art forms which was used as a mode expressing deep emotions by projecting them on cloth through different thread patterns. Though it was earlier a form of an art but through centuries, it became an integral part of home décor. A tapestry can depict a historical event or a scene of a particular landscape. A wall tapestry is one of those developed form of tapestry that is used as a piece of wall hanging. A wall tapestry can be used in correspondence to the room bed sheets and the colour of wall paints.

History tapestries

The use of tapestry cannot be exactly dated but its existence is seen in the Hellenist period. There have been samples of rich Greek tapestries which still lay preserved in the Tarim Basin. In the fourteenth and fifteenth century, France was the center of the most thriving textile industry with no competitor to stand against it. The French textile industry was then known for the high quality wool and other fine fabrics as well. During that era, wool tapestry was highly in demand used to decorate walls and castles.

Although, out of the great tapestries of the era only few could survive because of the violence of French revolution. Many tapestries were burned during that time for extracting gold from them as they often had gold thread woven in them. Well if one would lay down pen to account for the rich history of tapestry it will take hours and so if you are interested on gathering more information about tapestries, their history and various kinds of **wall tapestries** log on to www.tapestries-tapestry.com

Chenille tapestry

Chenille tapestry is one of those tapestries that are made from the special kind of fabric called Chenille. You can find the soft touch and refined weaving of the tapestry very alluring as the chenille yarn is very soft to touch. If you wish to add refinery and classic touch to the interiors you can go for chenille wall tapestry.

They can be used as wall hanging, blankets and cushion covers and for rugs as well. Chenille tapestry when weaved with lake and beautiful landscape will add a touch vibrance to your living room. Truly, **lake tapestries** and landscape tapestry add décor to one's households.
